§ 716.7 Samples.

The owner, operator, occupant or agent in charge of a facility must provide a sample as provided for in the Convention and consistent with requirements set forth by the Director of the United States National Authority in 22 CFR part 103.

§ 716.8 On-site monitoring of Schedule 1 facilities.

Declared Schedule 1 facilities are subject to verification by monitoring with on-site instruments as provided by the Convention. For facilities subject to the CWC, however, such moni-

toring is not anticipated. The U.S. Government will ensure that any monitoring that may be requested by the OPCW is carried out pursuant to the Convention and U.S. law.

§ 716.9 Report of inspection-related costs.

Pursuant to section 309(b)(5) of the Act, any facility that has undergone any inspections pursuant to this subchapter during a given calendar year must report to BXA within 90 days of an inspection on its total costs related to that inspection. Although not required, such reports should identify categories of costs separately if possible, such as personnel costs (production-line, administrative, legal), costs of producing records, and costs associated with shutting down chemical production or processing during inspections, if applicable. This information should be reported to BXA on company letterhead at the address given in § 716.6(d), with the following notation: "Attn: Report of inspection-related costs."
